CLASS 1: MINOR & TECHNICAL MUNICIPAL BOUNDARIES UP FOR REVIEW

The Municipal Demarcation Board (MDB) determines municipal boundaries in accordance with the Municipal Demarcation Act, 1998 (MDA) and other appropriate legislation enacted in terms of Chapter 7 of the Constitution.

The MDB opened the outer boundary redetermination process immediately after the Local Government Elections (LGE) in November 2021. The period for the public to submit proposals opened in November 2021 and closed on 31 March 2022.

All proposals received by 31 March 2022 were analysed and placed in respective redetermination classes. It should be emphasised that, the MDB intends to consider **class 1 redeterminations only (Technical & minor adjustments- see Circular 2 of 2022)** in this period i.e., June/July 2022, in terms of Section 26 of the MDA by publishing the proposed redeterminations in the newspapers circulating in the affected areas.

The abovementioned notice is an intention of the MDB to consider these proposals depending on the inputs that will be received. Members of the public and stakeholders are requested to submit views and representations on **class 1 redeterminations**,

within 30 days from the date of publication. The notices and maps are available on the MDB's website – www.demarcation.org.za

The views and representations can be emailed to registry@demarcation.org.za, or faxed to 012 342 2480, or posted to Private Bag X123, Centurion, 0046 or hand delivered to Eco Origins Office Park, Block C1, 349 Witch-Hazel Avenue, Highveld, 0157.

The views and representations must be addressed for the attention of the Chairperson of the MDB. Please note, all views and representations will be considered by the Board during end of July/August 2022.

PLEASE NOTE: All requests not forming part of Annexure A are classified as Class 2 – 4. Classes 2-4 municipal boundary changes will be considered later in October 2022 i.e., Consolidation and Annexations; Amalgamations and Categorization (Category A, B and C municipalities) after the MDB has taken them through a research process.
