CIRCULAR 2/2023: OUTCOMES OF SECTION 26 PROCESS FOLLOWING THE CONSIDERATION OF VIEWS AND REPRESENTATIONS FOR CLASS 2 – 4 MAJOR MUNICIPAL BOUNDARY REDETERMINATION PROPOSALS

PURPOSE

1. To provide an update regarding the class 2 - 4 major municipal boundary redetermination proposals following the consideration of views and representations received from members of the public in terms of section 26 process of the Local Government: Municipal Demarcation Act 27 of 1998 (MDA).
2. To provide information about the forthcoming processes regarding the finalisation of major municipal boundary redetermination proposals.

3. To request municipalities affected by municipal boundary re-determination proposals which are proceeding to either public meetings and or formal investigations to assist in availing suitable venues for public meetings.
4. To request municipalities and our key stakeholders to share the contents of this circular and encourage members of the public to make inputs and participate in the forthcoming public meetings and or formal investigations.

INTRODUCTION AND BACKGROUND

5. The Municipal Demarcation Board (MDB) determines municipal boundaries in accordance with the MDA and other appropriate legislation enacted in terms of Chapter 7 of the Constitution.
6. During the months of March and April 2023, the MDB published section 26 notices in terms of the MDA to make known its intention to consider proposals for municipal boundary changes (Batch 1 cases).
7. In May 2023, the MDB published additional section 26 notices for Batch 2 cases which were not covered under Batch 1.
8. Members of the public were invited to submit their views and representations to the MDB within 30 calendar days from the date of publication of notices in newspapers.

CONSIDERATION OF SECTION 26 VIEWS AND REPRESENTATIONS FOR BATCH 1

9. After the closing date, the MDB had received approximately 51000 views and representations.
10. All those were analysed against the demarcation criteria as espoused in section 24 and 25 of the MDA.
11. In terms of section 27 of the MDA, when the period for written representations and views expires, the Board-
 - a. Must consider all representations and views submitted to it; and
 - b. May take a decision on the determination (i.e., it may decide whether to proceed and change the boundary or close the matter) or before it takes such a decision-
 - i. Hold a public meeting;
 - ii. Conduct a formal investigation; or
 - iii. Do both.
 - c. On 27 June 2023, the Board considered representations and views received and these were considered for a decision in terms of paragraph 11(b). The

resolutions of the Board were enriched with findings and lessons learnt from, amongst others, research conducted by itself and from other stakeholders.

- d. Details on the resolutions of the Board are provided in **Annexure A** below which includes all proposals for which the Board has decided to:
 - i. **Proceed to conduct public meetings**, the MDB will arrange and conduct public meetings to solicit further inputs from the affected communities.
 - ii. **Proceed to conduct formal investigations**, the MDB will arrange and conduct formal hearings as espoused in section 29 of the MDA to obtain further information regarding the proposed boundary change.
 - iii. **Proceed to conduct both public meetings and formal investigations**, the MDB will not only conduct public meetings but will also conduct section 29 (in terms of **MDA**) formal investigations to obtain further information from identified stakeholders.
 - iv. **Proceed to section 21 publication (MDA)**, in this instance the Board has resolved that the boundaries should be changed, and a notice be published to invite anyone aggrieved by the change to submit written objections.
12. **The remaining proposals not listed as part of Annexure A are receiving further consideration by the Board and outcomes thereof will be communicated in due course.**

PUBLIC MEETINGS (SECTION 28)

13. The MDB will request affected municipalities to provide suitable venues for the public meetings on the proposals earmarked for public meetings. The schedule of public meetings will be posted on the MDB website.
14. Section 28 notices with the details regarding the time, date and place of each public meeting will be published in newspapers circulating in the areas concerned, and the contents thereof will be conveyed through other appropriate means.
15. At the public meetings, a representative of the MDB will explain the issues the Board has to consider, including any options open to the MDB; allow members of the public attending the meeting to air their views on these issues; and answer relevant questions.
16. During the meeting, members of the public will be allowed to submit written submissions to the MDB representative to support their views. To assist the MDB in considering the submissions they should be based on sections 24 and 25 of the MDA.

17. After the public meetings, the MDB will decide as to whether it will proceed with the section 21 process, or not.

FORMAL INVESTIGATIONS

18. Formal investigations are an inquisitorial format of public investigation or inquiry aimed at obtaining information regarding the proposed municipal boundary re-determination by questioning of respondents or participants by an investigation committee.
19. This inquiry will involve hearings or engagements with specific respondents/participants identified to assist the MDB with specific information about the proposed re-determination, this will involve either those identified parties appearing before the investigation committee of the Board or requested to provide certain information in writing. Where applicable details this inquiry will be directly communicated to affected stakeholders or parties.

PUBLICATION OF SECTION 21 NOTICES FOR OBJECTIONS

20. In terms of section 21 of the MDA, the MDB must publish its decision about the change of a municipal boundary in a relevant provincial gazette and anyone aggrieved by such a municipal boundary determination may, within 30 days of publication of such a determination, submit written objections. In this regard, Provincial Gazettes will be published in due course.

BATCH 2: FEEDBACK ON SECTION 26 PROCESS AFFECTING ONLY FREE STATE AND WESTERN CAPE PROVINCES

21. As outlined earlier, the MDB published a few outstanding proposals (13) in May 2023 in terms of section 26 of the MDA.
22. The MDB is currently finalising the analysis of section 26 representations and views received. As soon as that is completed, the Board will take decisions in terms of section 27 of the MDA as outlined in paragraph 11(b).
23. Stakeholders and members of the public will be informed about the decisions of the Board immediately thereafter. These will follow the same process as outlined earlier for Batch 1 proposals. For details on these proposals please visit the MDB website or contact Mr Fazel Hoosen at fazel@demarcation.org.za.
