11. This inquiry will involve hearings or engagements with specific parties as identified to assist the MDB with specific information about the proposed re-determination, this will involve either those identified parties appearing before the investigation committee of the Board or requested to provide certain information in writing. Where applicable details of this inquiry will be directly communicated to affected stakeholders or parties.

SUBMISSION OF WRITTEN VIEWS AND REPRESENTATIONS

12. Over and above the formal investigations, the MDB has also resolved that anyone who did not submit written views and representations during the section 26 process is allowed to do so with respect to all matters proceeding to formal investigations.
